Joint Preliminary Damage Assessment was completed on 1 May in the City of Suffolk. State and federal representatives also surveyed the City of Suffolk in regard to Public Assistance - public property, debris clearance and emergency response. Joint Preliminary Damage Assessments were completed in the City of Colonial Heights and Brunswick County on 2 May. Results of the Joint Preliminary Damage Assessments that were conducted May 1-2 were evaluated by VDEM and FEMA. The Commonwealth did not meet the threshold for federal disaster assistance as most properties impacted had insurance. VDEM representatives from ESF 14, Long-term Community Recovery, and ESF 17, Volunteers and Donations, and Virginia Voluntary Organizations Active in Disasters (VA VOAD) attended a meeting in Suffolk on Tuesday, 13 May chaired by the Suffolk Director of Social Services to discuss long term recovery issues. **VDEM Recovery staff is waiting for additional documentation from the City of Suffolk for consideration of assistance under the State Public Assistance Program.** VDEM Recovery Staff is coordinating with the Brunswick County Administrator; President, State VOAD; Department of Housing & Community Development; and USDA - Rural Development Administration (RDA) concerning housing for the displaced residents in Brunswick. RDA may be able to help with intermediate housing needs; VA Department

of Housing and Community Development may be able to provide funding through the emergency fund of the Community Development Block Grant program.

The City of Suffolk submitted their Notice of Interest to seek assistance under the state Public Assistance program for eligible costs. The city also submitted preliminary cost estimates associated with their response and recovery operations to VDEM.
